

Kirkcaldy Online Walking Festival

1st – 9th August 2020

Welcome to the Kirkcaldy Walking Festival!

This year's festival is going to be a little different - we are going online! We have asked a number local organisations to share their favourite walking routes around Kirkcaldy and made them available for download - right here in this programme.

Thank you to [Kirkcaldy Ramblers](#), [Fife ABE](#), [Fife Walking](#), [Seafeld Environmental Group](#), [Homestart Kirkcaldy](#), [Langtoun Tots](#), [Bums Off Seats](#), Tony Wilson, [Kirkcaldy Civic Society](#) and [Walk On Kirkcaldy](#) for providing routes.

Over the next couple of pages, you will also find details of online events and competitions that will get you sharing your walking adventures, so please do get involved!

So what are you waiting for? Turn the page, find a route, grab your walking boots, get out there and enjoy!

Online Events

Strolling Through Lockdown Sunday 9th August 2020

Join Craig (Greener Kirkcaldy) and Sally (Greener Kirkcaldy/Seafield Environmental Group) to reflect on the importance of walking during lockdown. Hear about their experiences of rediscovering their own local patch, about their new favourite routes and how walking has helped them cope during the pandemic period.

We also want to hear from you. What exciting new discoveries have you made? Did you find a new favourite route? What did you see, hear and learn on your own explorations? Share your favourite routes, photos and stories.

We will use your adventures as inspiration to create a visual representation of “strolling through lockdown” to share on Greener Kirkcaldy’s social media.

Film Screening: Mile...Mile & A Half Download 1st - 9th August

This film is a celebration of stunning views, great friendships and one of Scotland's greatest naturalist. It will make you want to pull on your boots, grab your friends and head for the hills.

In an epic snow year, five friends leave their daily lives behind to hike California's historic John Muir Trail, a 211-mile stretch from Yosemite to Mt. Whitney. Their goal - complete the journey in 25 days while capturing the amazing sights & sounds they encounter along the way. Inspired by their bond, humour, artistry & dedication, the group continues to grow: to include other artists, musicians & adventure seekers. Before they all reach the summit, hikers and viewers alike affirm the old adage - it's about the journey, not the destination.

A link to the film will be sent out to you within 24 hours of booking your ticket. You have 3 days to watch the movie from the point you click the link and can watch it as many time as you like during this time. The screening is free, but [booking is essential](#) as places are limited.

Competition Time

Win £25 Trespass Vouchers

To enter, post your entries on the Greener Kirkcaldy Facebook page using **#KirkcaldyWalkFest2020**, direct message us or email craig@greenerkirkcaldy.org.uk. The winners will be announced the following week. Closing date: 5pm Wednesday 12th August.

Walking Marathon

We challenge you to walk as far as you can during the Walking Festival Week (1st – 9th August) . Over as many walks as you like, complete as many steps as you can during the festival period. Send us a screen-shot from a distance measuring or step counting app to enter. Whoever walks furthest wins!

Get Creative

We want to see your most beautiful, spectacular and funny walk inspired photos, poems, stories or art. If you have been inspired to create whilst out walking, then send it, or a photo, to us and you could win.

Downloadable Routes

The routes have been provided by a number of local organisations, not all of whom are regular walk organisers and who have different goals, so there should be something for everyone, no matter what your ability or interests.

The routes have been mapped using either the [Viewranger](#) or [Koo-moot](#) walking apps. You can simply follow the routes online, but if you want full functionality, such as live navigation option, you may prefer to download the app to your phone. Both apps can be downloaded for free from Google Play Store and Apple App Store. You do not have to pay to download any maps, so please decline or ignore any requests for payment.
